PLEASE NOTE: Entries will be limited to 90 cars ONLY. Last year there were 109 entries at the seeded draw. At the seeded draw, entries will be selected as per the rule book; i.e. Starting with ProRally Seeds FIA and then proceeding by seed until the field is full. Seeding, and the completeness of entry forms, will be used to settle ties.

If there are less than 90 entries at the seeded draw, the remainder of the field will be filled on a first paid entry basis after that date. Preference will be given for completed entry forms. Using the same criteria, a waiting list will be established. This waiting list of competitors who come to the event, will go through Registration and Tech, and will be allowed to use the Practice Stage. They will be used to ensure that a full field of 90 competitors starts the rally. Waiting list competitors who attend and don't get a chance to start, will have all their entry fee refunded in full, be treated as competitors (all parties and banquets) and will be guaranteed a start in next year's event if entered by the seeded draw date that next year.

FOR EASY REGISTRATION: All entrants who provide all information to the registrar by May 26, 2001 may use the EXPRESS LINE at registration on Friday, June 1, 2001. All you will have to do is pick up your competitor packet and sign the insurance waiver.

NOTE !!: On Friday, June 1, 2001, registration closes at 8:00 p.m. ONE COMPETITOR FROM EACH TEAM MUST COMPLETE ON-SITE REGISTRATION BY 6:00 PM. Any team not following these registration requirements will be regarded as withdrawing their entry, allowing the waiting list competitors in. There will be NO Friday registration after 7:00 p.m. or NO SATURDAY MORNING REGISTRATION (This includes all Service Crews).

SEEDED DRAW

The Seeded Draw will be held on May 13th. Supplemental Instructions will be mailed by May 17, 2001 to all entrants.

REFUNDS
