Stage 6

First Competitor Due: 11:15 a.m.

Travel Time: From Wellsboro - 40 minutes

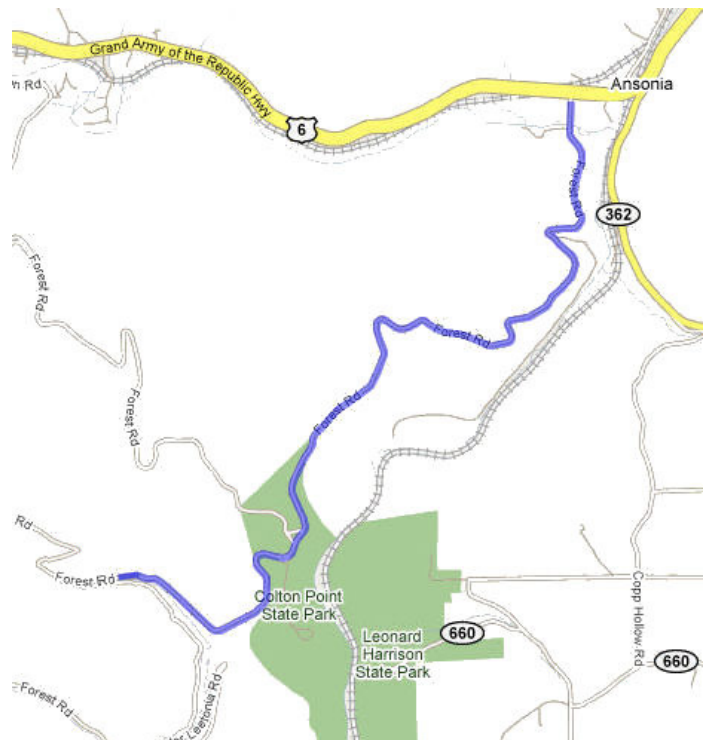

GPS Coordinates

N 41° 42' 34" W 77° 02' 21"

The cars approach this spectator area from the west on a fast narrow road. As they get closer, they take three tight corners, the last only one-quarter mile before they take the first left bend. After the last of the three corners here, they travel three quarters of a mile down a wider road. The crest has put several cars into the bank in past years.
